5 Bedrooms, 4 1/2 baths, and much more...

You must see this home to truly appreciate the open floor plan. The kitchen blends seamlessly with the breakfast nook and great room. The expanse of wood floor, a stone fireplace, and tons of windows just invite you in.

The extras don't stop there - a sunroom, den, huge walk-in pantry, dining room, and three car garage are just part of the package.

The second floor boasts of a large master suite complete with custom tile shower and a whirlpool tub. There are three additional bedrooms upstairs with 2 full baths.

The daylight lower level has a large family/recreation room, a theater, a guest bedroom, and another full bath.
